Prescription Drug Out-of-Pocket Maximums in 2023

The Out-of-Pocket Maximum is the most you will pay in copayments during a calendar year for covered prescription drugs filled at in-network pharmacies. Once you reach the OOP Maximum, you will not be required to pay additional copayments for the rest of the calendar year (you will, however, still be responsible for the full cost of non-covered drugs). Starting January 1, 2023, the Platinum Plus Plan’s new prescription drug OOP maximums are:

Platinum Plus Plan Prescription Drug Out-of-Pocket Maximum		
	Single	Family
Plan A Indemnity PPO	\$6,600	\$13,200
Plan B Indemnity PPO	\$6,100	\$12,200
Kaiser Permanente HMO	\$7,600	\$15,200
Anthem™ Blue Cross HMO	\$7,600	\$13,700

IMPORTANT! Whether you enroll online or on a paper form...

- **It's your responsibility to notify the Fund Office within 31 days if your dependents lose eligibility** (for example, due to divorce, termination of Domestic Partnership, or loss of dependent child status). Remember, you'll be required to reimburse the Fund for all benefit payments it makes on behalf of your dependents who are ineligible for Fund benefits.
- **If you no longer want to cover your dependent on your insurance**, you'll need to disenroll the dependent during Open Enrollment. You won't be able to change who you cover after Open Enrollment ends, except in limited circumstances.
- **If you want to enroll a dependent**, you may only add them to your coverage during Open Enrollment. The exception is if you become eligible for a "Special Enrollment" right due to a qualified life event such as marriage, registration of a Domestic Partnership, birth, adoption, placement for adoption, placement of a foster child, or due to the loss of other coverage. To complete enrollment of your dependent(s), make sure you provide the Fund Office with the following documentation for each dependent:
 - a copy of a certified county marriage certificate or Certificate of Registration of Domestic Partnership filed with the California Secretary of State, and/or your child's certified county birth certificate; and
 - the dependent's Social Security number.

Note: If you're adding a new baby, you only have six months from the date of birth to submit the child's certified county birth certificate and Social Security number, so don't wait!

Remember...

The last day of Open Enrollment is December 31, 2022. **You cannot make changes to your coverage in 2023 after December 31, 2022**, unless you become eligible for a "Special Enrollment" right due to a qualified life event or a loss of other coverage. For more information visit scufcwfunds.com/eligibility-enrollment/active-participants/making-changeslife-events. Unless you have a "Special Enrollment" right, the next chance to enroll or make changes will be in the fall of 2023 for coverage starting on January 1, 2024.
