Dear Member of UFCW Local 1167:

The right to vote is a privilege! Change comes when we use that privilege for the benefit of ourselves and working families everywhere.

On Nov. 6, registered voters in our communities will be asked to choose among dozens of candidates for political offices

at all levels of government.

To help you with your choices, our union carefully reviewed all of the candidates and propositions. We then made selections based on the best interests of union members.

Local 1167's recommendations are featured in this brochure. Please use this information to help in choosing how you will vote.

The results of this election will affect all of us in important ways – in our workplaces, in our homes and in our communities. Please use your privilege to vote!

In Solidarity,

Joe Duffie
